

Bowling club deserves new pavilion

Published: 08:11 Saturday 10 May 2003

I would like to add my voice to the need for better facilities on Woodhouse Moor, especially for the bowling club.

The club has been waiting nearly four years for a new pavilion only to be repeatedly told that there is no money available. It was to my disgust that I read in the YEP that the skate park was getting a 250,000 face-lift. Mr Hutchinson-Dean's assumption (Letters April 29) that the bowls club is full of OAP's is an ill-informed and misguided comment. I am in my early 20s, as are the majority of the club's members, with only a minority classed as being 'senior citizens'. I feel that the skate park should be re-vamped as it is showing signs of dilapidation; but, the bowls club only needs 15,000 to build a new pavilion, so why not solve two problems at once?
